

PACKTALK HEADPHONES

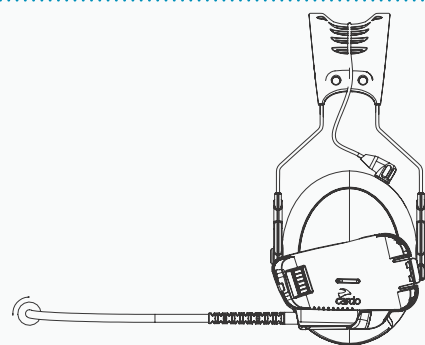

No Helmet Solution

PACKTALK over-ear headphones are durable, rugged and perfect for those using motorcycle communications systems for professional, coaching, side by side, pit crew, photo-shoot, or off-road use, while not wearing a helmet.

Compatible with:

PACKTALK / PACKTALK Black / PACKTALK Bold / PACKTALK Ducati / SMARTPACK

COACHING / TRAINING

Keep a constant and intimate connection in the field, on the slopes, or at the track

RIDING INSTRUCTORS

Deliver feedback in real-time to create a dynamic & efficient session

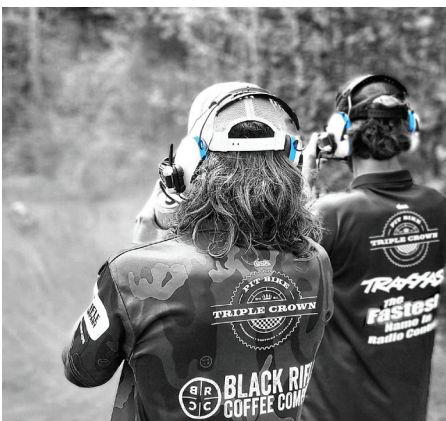

SIDE-BY-SIDE (SxS)

Cut the wire and keep the connection flowing in applications not requiring a helmet

CONTENT PRODUCTION

Coordinate the perfect shot by communicating with the crew and/or subject

OTHER NON-HELMET USES

Pit crews, race teams & more...
