# PACKTALK BOLD

The world's best motorcycle Mesh & Bluetooth Communications System.  
Plain & simple

## Powered by DMC®

Set your intercom group once and forget about it. Our Dynamic Mesh technology will make sure you're always connected

## Natural Voice Operation

Our all-new, always-on, natural voice operation rids you from the need to ever press a button again. Just tell it what you want, it will do the rest

## Sound By JBL

Powerful speakers engineered to perfection by JBL experts with specially tuned music processor and three distinctive audio profiles, will make your riding experience exceptional

## Universal Connectivity

With both DMC & Bluetooth technologies on board, PACKTALK BOLD will always allow you to connect to any other Bluetooth headset of any brand

## Every Feature Imaginable

1-15 Riders up to 8km (5mi), Universal Bluetooth connectivity. FM radio, full phone connectivity. Charge while riding, Automatic Volume Control, mobile conferencing, music & radio sharing, GPS, music streaming, natural voice operation, dual core technologies (DMC/Bluetooth), connectivity with two Bluetooth mobile devices, hybrid & corded mic, VOX, Parallel audio streaming, Cardo Connect App (iOS/Android), we left nothing out

## Waterproof

No matter what you throw at it, your IP67 waterproof PACKTALK BOLD will take the beating and keep you connected
