PACKTALK SLIM

The world's most advanced motorcycle communication system packed in the slimmest super-sport 6.5mm-thin (0.25") package

Powered by DMC®

Set your intercom group once and forget about it. Our Dynamic Mesh technology will make sure you're always connected

Natural Voice Operation

Our all-new, always-on, natural voice operation rids you from the need to ever press a button again. Just tell it what you want, it will do the rest

Sound By JBL

Powerful speakers engineered to perfection by JBL experts with specially tuned music processor and three distinctive audio profiles, will make your riding experience exceptional

Universal Connectivity

With both DMC & Bluetooth technologies on board, PACKTALK SLIM will always allow you to connect to any other Bluetooth headset of any brand

Every Feature Imaginable

1-15 riders up to 8km (5mi), Universal Bluetooth connectivity. FM radio, full phone connectivity. Charge while riding, Automatic Volume Control, mobile conferencing, music & radio sharing, GPS, Music streaming, Natural Voice Operation, Dual core technologies (DMC/Bluetooth), Connectivity with two Bluetooth mobile devices, hybrid & corded mic, VOX, parallel audio streaming, Cardo Connect App (iOS/Android), we left nothing out

Waterproof

No matter what you throw at it, your IP67 waterproof PACKTALK SLIM will take the beating and keep you connected

Slimmest Communicator

Only 6.5mm top-to-bottom, the aerodynamic PACKTALK SLIM is hands-down the best-looking high-end communicator on the market
